

Dear Friend,

Welcome to a wonderful journey of healing and freedom! Deeper Still is a healing retreat specifically designed for women and men who have either had an abortion or who have participated in an abortion. We affirm and encourage your decision to seek a deeper place of healing and restoration from your past choices. Our role is to help facilitate God's healing touch in your life.

Hands of Hope Tucson will be hosting a weekend retreat in February 2018. This is an opportunity for you to get apart with God, and receive His healing love. There will be other women and men on a similar journey joining you this weekend, and our retreat will be held at El Rancho Robles Guest Ranch in Oracle, AZ. We count it a privilege to come along side you, and we will be praying you receive everything you need.

The 2018 winter retreat will be: **February 16-18, 2018 (women and men)**

This registration packet includes the following documents:

- **This Introduction Letter**
- **The Retreat Advantage**
- **Retreat FAQ's**
- **Retreat Description**
- **Retreat Schedule**
- **Getting the Most from Your Retreat**
- **Healing Covenant**
- **Release Form**
- **Intake Form**

You will need to read through all of these documents, but the **2 forms** you need to **print off, fill out** and **mail back** or **fax in**, are the **Release Form** and the **Intake Form**.

Fax (520) 321-9766, ♦ Lori Navrodtzke, PO Box 17070, Tucson, AZ 85731 ♦ Phone (520) 321-9765 ext. 409 ♦ lori@hohtucson.com.

When we receive your Release Form and Intake Form you will be considered registered and we will send you a confirmation packet. There is no registration fee for this retreat.

The **confirmation packet** will contain detailed information about the retreat location and what you should bring. We will also send you directions to the Guest Ranch in Oracle. The intake form will take some time and thought to complete. You may find some "old" emotions and memories surface as you fill it out. This is normal so do not be discouraged but rather, press through. These are simply indicators of places that may still need a

healing touch. After we have sent out your confirmation packet, and within 1-2 weeks of the retreat we will call you to touch base and answer any of your questions.

There will be other people attending the retreat who make up our Ministry Team. They will be serving in several capacities, such as: hospitality, prayer support, teaching, and facilitating personal prayer ministry with each of you. You will be blessed by the gifts and talents of many. The women and men serving on our Ministry Team are hand picked and trained by Hands of Hope Tucson. We can assure you that you can trust them all to be sensitive to the leading of the Lord, your needs, and your confidentiality.

This Deeper Still Retreat can be a real milestone in your life. God wants you to be healed, made whole, and set free to live the life He has for you. Here are a few comments made by other participants who have attended a Deeper Still retreat:

“There are no words to describe the overall experience. I am still experiencing so much freedom, so much joy. I’ve been set free by the grace of God. Bless you all for helping me to find this freedom”.

“Before that retreat, I didn’t know if I could stand to live another day. Now, every day truly is a gift from God, beautifully packaged and full of surprises that are custom-designed to bless my life. Experiencing this new life makes me want it for everyone, but especially for women who have had so much stolen from them, as I did.”

“Letting go of some of my strongholds was a liberating thing. I do finally believe that God has forgiven me, my baby has forgiven me and now I can forgive myself. I can do that because what Jesus did for me was enough. Thank you for helping me see that”.

We urge you to prayerfully consider this wonderful weekend. When you say “Yes” to the Lord, He will beautifully prepare your heart to receive all He has for you.

With great expectation of His mercy and love,

Lori Navrodtzke

The Retreat Advantage

Our heavenly Father is full of mercy, grace and compassion. He longs to see the wounded and grief-stricken healed and set free from their captivity. The Bible teaches in Isaiah 61:1-3 that God has anointed us, His people, to bring good news to the afflicted; to bind up the brokenhearted; to proclaim liberty to the captives; and to bring freedom to the prisoners. Further it says we are to: comfort all who mourn; give a garland of beauty instead of ashes; anoint with the oil of gladness instead of mourning; and place a mantle of praise where there has been a spirit of fainting.

This Scripture is the backdrop for our Deeper Still retreats.

God can bring healing to people in a variety of ways, but we have found the retreat setting is the most conducive venue to help us go to deep places of healing in a short amount of time.

- **You get away from familiar routines and responsibilities for a whole weekend**
- **You can stay focused on the necessary healing tasks without disengaging**
- **You join a small community of women and men on a similar journey**
- **You can relax in a beautiful and comfortable setting**
- **You experience a Christ-centered spiritual make-over**
- **You are part of a safe and confidential community**
- **You are well fed from God's Word**
- **You are well fed from the wonderful food we serve**
- **You receive deeper levels of healing and freedom**
- **Your destiny in God is re-ignited**
- **You go home a different person than when you came**
- **There is no financial fee to attend this retreat**

So, what's not to love? If you're ready for one of the most eternally significant weekends of your life, please join us.

Getting the Most from Your Retreat

The name of our retreat, **Deeper Still**, was chosen because it describes the healing journey of many people. Those who come to this retreat have usually received some measure of healing but acknowledge they are not yet completely free. We establish a safe environment where God's presence is strongly experienced through worship, prayer ministry & a loving community of Christian sisters and brothers. Within this context, we address core issues key to healing. This is an investment in yourself & your relationship with God. We promise you, it will be worth it! Please read these guidelines in preparation for your retreat.

1. **Plan to be Focused:** Be sure to place the retreat dates on your calendar, & start planning now. Work to free up your time so you can come to the retreat focused & without distractions. Your emotional & spiritual health is important. Make it a priority.
2. **Fear Not:** As time for the retreat draws near, you may find your emotions & defense mechanisms begin to surface. This is not unusual, so don't get discouraged. **Do not talk yourself out of coming!** Just remember your heart is being prepared for healing. Let your family/friends know you may be more emotional during this time & they need to extend you extra grace.
3. **Be Open:** Be open & honest about your emotions. Emotional release is necessary for healing (tears, grief, anger, joy). These emotions will come easily for some, but not for others. Whatever your case, the Lord knows what you need emotionally & how to get you there.
4. **Respect Yourself & Others:** Every person at this retreat will be on her or his own unique healing journey. We simply ask you to respect each other's journey & be patient with yourself & others. Healing is a process. Do not compare yourself to others & do not jump ahead to the next issue or discussion. Each session will lay a foundation for the next.
5. **Stay Focused:** Keep your focus on abortion related issues. Although we will address other related issues from your life, the wounds from abortion are foundational. As those wounds are healed, you will experience a new release for healing in other areas of your life.

6. **Keep it Confidential:** It's vital for everyone to be committed to confidentiality for everyone present.
7. **Be Patient:** It's okay to not feel completely resolved by the end of each session. Part of the healing process is to live with seasons of mystery. Every step you take will add up to a whole. Resting & waiting on God to move is also part of the process.
8. **Be at Peace:** "Peace I leave you; My peace I give you; not as the world gives, do I give you. Let not your heart be troubled, neither let it be afraid." John 14:27

**Deeper Still
Healing Covenant**

Dear Lord,

Believing You are the only way to life and healing, and trusting You desire me to be whole and free from my past choices and sins, I choose to enter into this special healing covenant with You.

Lord, I hereby give You permission to do a deep and cleansing work in my life. I am saying "yes" to the healing path You would design just for me.

Realizing this journey may take me through painful places, I am asking for Your precious grace and mercy to sustain me and give me courage. Please make Your Word alive to me, and send the people I need along the way for encouragement.

I thank You that Your presence goes with me and You will never leave me or forsake me.

Retreat Description

Friday afternoon: The retreat starts with a welcome, introductions, and some opening remarks to set the framework and expectations for the weekend. Next, we spend some time in praise and worship. This invites God's presence and His peace. It also prepares our hearts to be knit together.

Friday evening: This evening is spent in sharing our stories. This is a critical first step in the healing process. For some of you this may be the first time you will have ever openly shared your story. Some of our team members will also share a brief story from their life. Some team members have had abortions and others have not, but we all have a story of a healing journey. We believe it's important for us as team members to be vulnerable and transparent with you, even as we are asking you to do the same.

Saturday morning: We start the morning with worship, and then do a teaching called—"The Perfect Sacrifice". It is primarily taken from Isaiah 53, and covers the atoning work of Jesus Christ on the cross. After the teaching, a team member will lead you through an individual time of prayer, addressing forgiveness and reconciliation.

Saturday afternoon: Redemptive grieving is a necessary step in the healing process. We address this issue and offer you tangible ways to connect with your lost child(ren). This gesture brings a redemptive action to your grief.

Next, we affirm the vital roles of motherhood and fatherhood. Abortion damages the hearts of mothers and fathers. Only as your mother's heart and father's heart is spiritually reconciled to your lost child(ren) can you be free to embrace your calling to mother or father from a healthy heart. We refer to this calling as the "Mother Mantle" and "Father Mantle". We affirm this healing step with a powerful symbol as well.

Next, we address taking responsibility for the consequences of abortion that can affect our living children, our cities, our churches, and our land. Then, we pray with you to break the common spiritual strongholds that can be erected in our lives as a result of sin and poor choices. Next is an opportunity for personal prayer ministry, or free time.

Saturday evening: After dinner, we do some sharing from the day. Then we spend the rest of the evening in "crying out" for the restoration of the many areas of your life where you have lost hope, passion and vision. We combine our prayers with worship, and celebration of the work God has done. By this time, joy begins to spring forth.

Sunday morning: We end the weekend with a beautiful memorial service, communion and brunch.

For the next 2-3 weeks following the retreat, we initiate an email chat to help you continue to process your experiences. Then about 6 weeks after the retreat we have a reunion dinner so we can reconnect and share what has happened in your life since the retreat.
